

SOCIETY OF ALABAMA ARCHIVISTS

MEMBERSHIP COMMITTEE REPORT OCTOBER 2007

Membership Committee:

- Jennifer Beck (Chair), University of Alabama at Birmingham
- Laura Anderson, Birmingham Civil Rights Institute
- Tim Pennycuff, University of Alabama at Birmingham
- Dusty Folds, Samford University
- Valerie Burnes, Auburn University
- Coll'ette King, Mobile County Probate Court

Each committee member was assigned a region (North, Central and South) to search for potential members. The searches were primarily conducted through web resources by the committee. Once potential members were identified SALA President Laura Anderson composed a letter which was sent to the individuals and institutions.

The committee identified over 50 individuals and over 120 institutions as potential members. The individuals consisted of archivists, archives personnel, librarians, museum curators, and students. The institutions included archives, public libraries, universities and colleges, museums, and historical and genealogical societies.

As of October 12, 2007, six of the identified potential members have submitted membership forms to Cynthia Luckie, Treasurer. However, we expect to receive more new memberships in the upcoming weeks.

Respectfully submitted by
Jennifer L. Beck, Membership Committee Chair
