

SOCIETY OF ALABAMA ARCHIVISTS

SALA Web Committee Report

November 1, 2006 – October 31, 2007

The following activities were completed by the Web Committee during the past year:

- The domain name <http://www.alarchivists.org> was registered to serve as the official web address for SALA.
- SALA acquired web space with a web hosting service. The website was transferred from Auburn's server to the newly acquired web space. This move gives SALA more autonomy over its web space to improve website security and allows us to do things like create blogs, wikis, forums, host our own listserv, and use our PayPal account for membership & event registration fees. The annual cost of the web hosting service is \$70 per year.
- The SALA listserv still resides on an Auburn server.
- Modifications were made to the SALA website to improve the site's navigation and usability. A contact form for comments and suggestions was also implemented.

Respectfully Submitted by:

Jason Kneip, SALA Webmaster & Listserv Manager
